MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Release of Intelligence for National Policy  
by [redacted]

1. This memorandum contains a recommendation in paragraph 3.

2. [redacted], a retired DDI employee, wrote the attached handbook while he was on duty with the Agency. It was used by the Office of Training for several years. Jack is now employed by a consultant firm which has contracts with various Government agencies. Jack is requesting that we drop the "CIA Internal Use Only" caveat so that he may cite this handbook in dealing with potential customers. He does not intend to submit it for publication and anyone interested in reading it would have to obtain a copy from the Agency.

3. I recommend you approve this release with the understanding that [redacted] will accept the deletion of Part V which appeared in the original manuscript and dealt with Congressional oversight.

4. If you approve I would propose to contact [redacted] directly. A draft of the letter I would use is attached.
